Dear Ms. Kean:

This is in response to your request of January 31, 2003, pursuant to the Freedom of Information Act (FOIA) for information regarding the following:

- 1.) References to "Kecksburg" or "Kecksburg incident" or "Acme,"
- 2.) NASA Fragology Files for 1962 to 1967,
- 3.) Richard M. Schulherr,
- 4.) Project Moon Dust, and
- 5.) Cosmos 96, or Kosmos 96.

The NASA Headquarters History Office conducted a search and from that search no records were found responsive to your request.

You may appeal this initial determination to the NASA Administrator. Your appeal must: (1) be addressed to the Administrator, NASA, Washington, D. C. 20546; (2) be identified clearly on the envelope and in the letter as an "Appeal under the Freedom of Information Act; (3) include a copy of the request for the agency record, and a copy of the adverse initial determination; (4) state, to the extent possible, the reasons why you believe the initial determination should be reversed; and (5) be sent to the Administrator within 30 calendar days of the date of the receipt of this initial determination.

Cordially,

s/signed

Sharon S. Holgerson
Freedom of Information Act Officer
